PROFESSIONAL EXPERIENCE

Digital Marketing Specialist

Jan 2026 – Present

Dentallab.com — Bangladesh (US/Canada dental & auto-service clients)

- Own end-to-end marketing and SEO for a US/Canada dental-lab brand — keyword strategy, content, on-page SEO, paid social, and CRM automation.
- Building a **74-article SEO/AEO/GEO content library** mapped to a verified 73-keyword research set (SEMrush), structured for both traditional search and AI answer engines.
- Manage **two live Meta ad accounts** (dental-lab brand + auto-service client), running awareness and retargeting campaigns with a biweekly performance-reporting cadence.
- Built a **GoHighLevel** production sub-account from scratch — 8-stage sales pipeline, lead-follow-up and review-request workflows, calendar booking, Google Business Profile integration, and reputation management.
- Run local SEO for **three additional dental-clinic clients**, handling GeoGrid rank tracking, Google Business Profile optimization, and on-page work.
